"So soon

Just let this sink in... One day you'll be at your last Friday night football game and prom. one day you'll be at your last game with your team. One day you'll be taking your last test and eating your last school lunch. One day you'll have your last frie drill and your report card. One day you'll have your last young and wild Saturday night with people you've made a million memories with. One day you'll be closing your locker and walking out of those four doors for the last time. One day you'll be standing in an alphabetically ordered line in a cap and gown with people who you watched grow up. People who wacth you grow up. Some of those people you'll never see again or hear about. One day you'll forget about all the people you knew and you'll barely remember the memories until you find a picture that makes you think of one. One day you'll be packing up 18 years of your life into boxes and hugging your parents good bye. It's sad..One day you won't be in high school anymore...and we're all ready to leave so soon." - Anonymous

CONGRATULATIONS!
Today is *our* day,
***we're* off to great place!**
***we're* off and away...**

We have **feet** in our **shoes**.
We can steer ourselves in **any**
direction we choose.

We're **on our own**,
and we know what we know.
and **we are the ones who'll decide**
where to go...

congratulations
